## A Dozen Red Noses

### Clowning Workshop For Valentine's Day

Gift your sweetheart (or the heart on your sleeve) with a day of full-hearted abandon and play! We'll take the sting out of Cupid's bow and open a space for responding out of honest presence. Come celebrate, for once, everything that goes wrong and fall in love with the most endearing aspects of being human.

**Sunday February 14, 12-4pm**

\$50.00 single, \$75.00 per couple. Limited space. Registration required.

**Laura Geilen** is a facilitator with **Nose to Nose of North America** [www.nosetonose.info](http://www.nosetonose.info) She has been leading transformational clowning workshops for adults since 2007. More info and to register: [www.berkeirque.com](http://www.berkeirque.com)
